# ENJOY THE SHOWER SPACE WITH GOLDEN SPRING

# COMPANY PROFILE

**GOLDEN SPRING is a company based out of California**

Golden Spring originates from California and is a comprehensive manufacturer specializing in the development, production, sales, and service of shower products. We also support the production of shower bases and bathroom accessories, providing consumers with high-quality, professional shower room solutions.

With years of production management and mature development experience, we have an experienced R&D team, including in-house technicians, designers, and engineers. In addition to our existing product line, we also offer professional solutions for customized concepts.
